RESPONSE TO REQUEST CORRECTED FILING RECEIPT

Title of Invention

In response to your request for a corrected Filing Receipt, the Office is unable to comply with your request because:

- The articles such as "a," "an", and "the" are not included as the first words in the title of an application. They are considered to be unnecessary to the understanding of the title.
- The words "new," "improvement," "improvements in", or "relating to" are not included as the first words in the title of an application because a patent application is, by nature, a new idea or improvement. See MPEP 606.01.
- The title may be truncated if it consists of more than 600 characters (letters and spaces combined).
- Superscript and subscript are not possible. They will appear on the same line.

Any corrections that may need to be done to your Filing Receipt should be directed to:
